

CLEVELAND SIGHT CENTER IS HERE FOR YOU: REMOTE SERVICES MAKING AN IMPACT

While our main offices are currently closed to the public, we remain committed to serving our clients through remote and alternative service deliveries when possible. Please contact us at 216-791-8118 or info@clevelandsightcenter.org so we can assist you.

Our Registration team is available to take calls, answer questions and register new clients at 216-658-4685.

The Eyedea Shop continues to process and fill orders online at eyedeashop.com or by calling 216-658-4666.

Bright Futures Preschool continues instruction to students and parents through interactive Facebook groups. Virtual instruction to students and early intervention services continue to be provided.

The Community Rehabilitation team has been delivering equipment to clients' doors and conducting training on the phone.

Clients remain engaged in Braille Instruction classes through teleconference calls.

The Low Vision Clinic is available by phone to assist with paratransit applications, renewal of accommodation forms, employer mandated forms and continues to send out orders of eyeglasses.

60 Call Center agents quickly transitioned to a full work-from-home capacity and continue to provide high quality customer service to all callers.

Our radio station CSCN features up-to-date community and CSC resources regarding COVID-19: clevelandsightcenter.org/content/cscn-radio-reading.

Additionally, check out our recreation line, 216-658-4600 for engaging and interactive activities like meditation, yoga and wellness checks.
